The Bible Starts with Creation

(Theme Song)

D G
The Bible starts with Creation, the final book's Revelation,
D A D
In between are so many stories telling us all about God.
D A
Have you read about Adam, have you read about Eve?
G D A D
Told by God not to eat the fruit but by the serpent deceived.

I know you know about Noah – God told him: “Build a big boat,
Gather creatures of every kind, above the flood you will float.”

Have you heard about Moses who set the Israelites free?
Pharaoh's army was chasing them, but Moses parted the sea.

Did you read about David? He faced Goliath alone.
In the Lord he had victory with just a sling and a stone.

Everybody knows Jonah, that rebel thrown overboard,
It took a fish to deliver him – a second chance from the Lord!

Did you hear about Daniel? He wouldn't worship the king.
They threw him into the lions' den – he prayed an' God rescued him.

I know you know about Mary and the Bethlehem birth,
But did you know that her baby boy was Lord of heaven and earth?

So that brings us to Jesus – Master, Saviour and Friend;
One day he's coming back again – that's how the story will end!

The Earth Is the Lord's

(Episode 2)

E A
The Earth is the Lord's, for He made it all,
B7 E
The oceans so wide, the mountains so tall;
E A
The birds of the air, the fish in the sea
B7 E
He even made you, and He even made me.
A E
And God made the sun, the moon and the stars
B7 E
And whirling in space this planet of ours;
A E
A beautiful home, a place to belong
B7 E
And so we give thanks in this song...

A
Pom pom pa pom (doo, di doo)
E
Pom pom pa pom (doo, di doo)
B7
Pom pom pa pom (doo, di doo)
E
Pom pom pa pom (doo, doo, di doo)

Faith is Being Sure (Hebrews 11:1)

(Episode 3)

E A
Faith is being sure of what we hope for
B7 A B7
And certain of what we do not see.
E A
Faith is being sure of what we hope for
B7 A
And certain of what we do not see.

B7 E
Noah was warned of things yet to come
B7 E
So he built a boat to save his family;
B7 E
When the rain came down, everyone else was drowned
A B7
But Noah's boat floated on the sea!

Abraham was told to leave his home behind
And head off to a country far away;
Though he didn't know where he was to go
He trusted God and went anyway!

Moses in Egypt lived a life of ease
But God said, 'Go and save the Hebrew slaves.'
He led the holy folk away from Pharaoh's yoke
He led them right between the mighty waves!

I haven't time to tell of more like Samuel
Of Samson, David, Gideon and the rest;
They never even saw the things they waited for
But trusted in the Lord and so were blessed!

All Their Hope

(Episode 10)

C Dm
 Here's a song about some people who
 G C
 Are great role models for me and you;
 F
 Under attack, against frightening odds,
 G C
 They didn't crack, they put their hope in God!

C Dm
 All their hope was in God,
 G C
 All their hope was in God,
 F
 Things were looking bad, but these people knew
 G C
 All their hope was in God.

See Goliath with his sword and shield,
 Little David just a sling to wield;
 The giant mocks him boastfully,
 David shoots – the rest is history.

All his hope was in God,
 All his hope was in God,
 Things were looking bad, but **David** knew
 All his hope was in God.

Here comes Gideon in the dead of night,
 His tiny army has a host to fight.
 With trumpets and torches instead swords,
 They cry: 'For Gideon and for the Lord!'

All his hope was in God,
 All his hope was in God,
 Things were looking bad, but **Gideon** knew
 All his hope was in God.

Told to bow down to a god of stone,
Daniel prayed to the Lord alone.
Thrown to lions that roar and bite,
God's angel took away their appetite.

All his hope was in God,
All his hope was in God,
Things were looking bad, but **Daniel** knew
All his hope was in God.

Stuck in prison, but hey, that's odd!
Paul and Silas singing songs to God;
The earth trembles, the prison shakes,
The door flies open, the chain it breaks!

All their hope was in God,
All their hope was in God,
Things were looking bad, but the **two friends** knew
All their hope was in God.

Remember this when to bed you go,
Shadrach, Meshach and Abednego
Were thrown in a fire to be burnt alive,
But God was with them and they survived.

All their hope was in God,
All their hope was in God,
Things were looking bad, but the **three friends** knew
All their hope was in God.

Andrew, Simon, James and John,
Fishing in vain till the light of dawn;
Jesus says: 'Leave your nets and then,
Follow me! You'll be fishers of men.'

All their hope was in God,
All their hope was in God,
Things were looking bad, but the **four friends** knew
All their hope was in God.

So that's the song about some people who
Are great role models for me and you;
Under attack, against frightening odds,
Never crack, put your hope in God.

All our hope is in God,
All our hope is in God,
When things are looking bad but **we** will know
All our hope is in God.
